

# TABLEWARE PRODUCTS (SUGARCANE)

Gestión de Compras has a wide variety of products for packaging in the food industry. Manufactured from sugar cane (pulp/slurry/fiber). Some of our products are plates, trays, clamshells, bowls, cups, cutlery, etc.

Our factory is BSCI, ISO22000, ISO9001, ISO14000 certified, with standard dust-free production workshops and complete product testing and quality assurance systems. We have the production capacity of 15,000 tons/year, all our sugar cane products are certified (FDA, SGS, LFGB, AP).

In addition, Purchasing Management offers OEM/ODM services, facilitating product customization for all our customers. Healthy, non-toxic products, with a resistance of 100°C to water and 120°C to oil, without leakage or deformation. Biodegradable, microwave and freezer safe.
